Testimonials

We decided to engage Mommy Pehpot for our campaign because we saw that her quality content is very much relevant to our target market. More than just writing about the products/events, she really make sure that her stories are linked to her family's/personal experiences, which makes it more engaging. She's also easy and fun to work with.

PR Senior Account Manager (CaPRI)

I make sure to visit Mommy Pehpot's blog for her latest product reviews because I trust her judgment completely and see her as an expert homemaker. I know that if she says something's worth buying, then it is. I love that her blog is geared towards Pinay mommies like me, and I learn something new each time I visit.

Karina Mendez,
Pinay mom and Mommy Pehpot fan

Pehpot isn't just a great blogger; she is a great person overall. She is always willing to help her fellow bloggers like me out, even if she may be leagues beyond us in terms of followers and blog hits! Blogging-wise, she really knows her way around the blogging world, and has integrity as a blogger and influencer.
